The instructions of the trainers must be strictly followed. Every participant is still responsible for himself and the safety of the climbing partner. Participation is at own risk. Furthermore the signatory confirms with his/her signature that he/she is adequately insured for sport accidents including climbing accidents.

Any participant showing up drunk will be banned from the course without refund. Participants must be in an appropriate physical condition to take part (**that also means to be slept out and not be very tired**).

A further refund of the cancellation fees above can be requested in person after the course took place and after all bills have been payed. It will be granted in case it is financially possible. Cancellations are only valid if submitted in person together with a written declaration or in written form by post (registered letter), where the date of the letter reaching us decides. We also count it as withdrawal if the signatory does not participate without notification. We can withdraw from the contract without delay if a participant lastingly disturbs the carrying out of the course, or sets himself/herself or others at risk, or if unforeseeable circumstances like natural phenomena, strikes or severe illness of the organizer force us to do so. Benefits not taken advantage are non-refundable. Finally we reserve the right to cancellations from our part due to overbooking or a too small number of participants.
